

## 2024 Roche Products (New Zealand) Ltd - Disclosure of Transfers of Value Report

In line with the [Roche Code of Conduct](#) and the [Medicines New Zealand Guidelines Disclosure of Transfer of Value](#), Roche Products (New Zealand) Ltd strongly supports openness and transparency on the transfers of value made to healthcare professionals, with the aim of increasing trust and confidence in the pharmaceutical industry. The aim of any support is to enhance medical knowledge, evolve the healthcare ecosystem and improve the quality use of medicines in New Zealand, ultimately benefiting patient care. The following report summarises the support (direct and indirect) provided by Roche to New Zealand healthcare professionals in 2024.

### 1. Support to Attend an Independent Medical Event

Transfers of value were made in 2024 to support healthcare professionals to independent medical education events.
